Funny copy shop in Bellevue
 Posted by [mary45ruben](#) on 02/04/2010 Provided by YP.com

How funny to read about the other reviews. The owner is superb. I was looking for their phone number on yellow pages and started to read the other reviews. She is great and French which helps me practice my French. Anyway, I too think this is a top notch store with great prices and the right attitude towards customers. The Kinko from Rohnert Park could learn a great deal from it. I take Stony Point Road to use their store. Thanks. Mary (Rohnert Park)

Great Store
 Posted by [ritamore68](#) on 02/02/2010 Provided by YP.com

My name is Rita and I just found out about this place. From now on I will drive from Petaluma to Santa Rosa to get my copies done at this store. They are really nice and competent. It is a bit of a drive for me but I am saving money. I am a teacher and they gave me a special rate. I love it.

They are great

I could not agree more. These two girls are great. I wonder if they are married? The prices are better than any other copy shops I have been to.

Best little copy shop ever
 Posted by [jack2009lambert](#) on 09/24/2009 Provided by YP.com

On my second visit to make copies, I was greeted by my first name. I could not believe the ladies remembered my name. I guess that is something they take pride in. No wonder that they are busy. I loved the store, the ambiance and the price was incredible. I would recommend this store to everyone.

(First time I write a review on any store!)
